

Gearing up for **GRAZING!**

Thursday, June 7, 2018

Brought to you by:

Geauga Soil and Water
Conservation District

Don't miss this unique opportunity to learn more about pasture and hay management with Bob Hendershot, Ohio Department of Agriculture Grazing Specialist, and Les Ober, OSU Extension Geauga County Program Coordinator. Two interactive PASTURE MANAGEMENT WALKS & TALKS are being offered - one for livestock producers in the afternoon and one for horse owners in the evening. Both programs are free of charge but **REGISTRATION IS REQUIRED BY JUNE 4th**. To register or to request any special accommodations please contact Geauga SWCD at 440-834-1122 or gprunty@geaugaswcd.com.

LIVESTOCK GRAZING PROGRAM 1:00 P.M.

CHANDER HILL FARM

12375 Pond Road, Burton 44021 ~ www.chanderhillfarm.com

Gain ideas and inspiration from this truly unique operation that promotes sustainably and humanely raised Heritage Livestock. Livestock grazing will be the focus of this pasture walk, including the process of developing and managing an intensive grazing system. Conservation practices installed with Natural Resources Conservation Service will also be showcased.

EQUINE PASTURE MANAGEMENT 6:00 P.M.

LAKE ERIE COLLEGE

GEORGE M. HUMPHREY EQUESTRIAN LEARNING CENTER, 8031 MORLEY ROAD, MENTOR 44060
Directions ~ <https://www.lec.edu/eq-directions>

This program will include a short tour of Lake Erie College's Equestrian Center and a pasture walk focusing on establishing and maintaining quality pasture for your horses. Whether lots of acreage or smaller paddocks, gain valuable insight on pasture rotation and grazing management.
