## 2017 Pennsylvania Hay Show Recap and Results

The 2017 Pennsylvania Hay Show was held at Ag Progress Days and sponsored by the Pennsylvania Forage and Grassland Council. Hay classes were changed from previous years' hay shows, with the PFGC Hay Show committee making the changes with the belief that the new classes will afford hay producers the opportunity to enter more classes in the show! There were 87 hay entries total.

Hay is judged on both visual and chemical characteristics and 1<sup>st</sup> through 5<sup>th</sup> placings are awarded to each class with more than 5 entries. Premiums and ribbons are awarded to 1<sup>st</sup> through 5<sup>th</sup> placings in each class, and all participants receive quality analysis information for every sample entered.

Congratulations to the following participants for placing in their respective class:

### Section I – Field Cured

Class 1: Alfalfa – First cutting

- 1<sup>st</sup> – Ray Mack; Pen Argyl, PA
- 2<sup>nd</sup> – Alan Posey; Orangeville, PA
